Sir,

COMMUNITY PROJECTS - Chemical fertilisers - Storage.

Ref: 1. This Office Ref.C.No.76/52 dated 24-1-53.

.....

In my reference cited, I had requested to sanction the purchase of hundred gunny bags at a cost of Rs. 75/- Subsequently, I have received about 492 tons of chemical fertilisers. In these consignments, several paper bags in which the fertilisers are packed are torn and damaged during transit. It is therefore necessary to pack the contents of the damaged bags in gunny bags. I may require a total of 1000 (One thousand) gunny bags for the purpose. The average cost of gunny bag is Re.0-12-0 per bag. I request that sanction may be accorded for the purchase of 1000 gunny bags at a cost of Rs. 750-0-0, locally. The Director of Community Projects has personally inspected the godowns and has seen the broken bags.

Please see the letter in the C. 9. from the P.E.O. Mangalore.

2. He has stated that he may require about 1000 gunny bags. W.r.t. the P.E.O's letter d. 24-1-53, action has been taken separately sanctioning an expenditure of Rs. 75/- for the purchase of 100 Second hand gunny bags. It therefore seems sufficient, if sanction is accorded for the purchase of 900 gunny bags at a cost not exceeding Rs 675/- (at 12 annas each) subject to orders, a draft order is put up for approval.

3. Finance may see before issue.
